

FY2020 Lists of Equipment for Transfer

* Equipment to be disposed of is organized by base (in Japan) where it is stored.

For address of each base, please see another sheet, "(For reference) Address of Bases" of this file.

* For specifications (size, weight, capacity, etc.), please see our brochure.

>>The brochure in pdf is here. [FY2019](#)

* Currently, maintenance is not being carried out for some equipment that is not eligible for rent.

For such equipment, "*" is added to "Reports of Malfunction for the last 3 years" column in the list.
